Hello Prospective Intern!

Thanks for your interest in Theater 150's internship program for Summer 2010! Our ever-growing internship program offers positions in lighting, costume, sound, directing, acting, stage-managing, and arts administration. As a Theater 150 intern, you will gain priceless, hands-on experience by working directly with theater professionals on world-class productions.

Originally created as an acting studio, Theater 150 has evolved into a cultural hub for Ventura County with its productions of world-premiere plays, a summer festival of classics, and a spectrum of classes for all ages, ranging from acting and improv to stand-up comedy and musical theater.

In 2009, Theater 150 became a full-Equity professional theater with its award-winning and critically-acclaimed production of *Hamlet*. This summer, Theater 150 looks to expand once more with Ojai's Shakespeare in the Bowl, a Summer festival of outdoor Shakespeare and classically-inspired new works. Attached is a sheet describing the three shows we'll be producing this summer

Through the application process, we will do our best to match you with an intern assignment that excites and challenges you.

Please fill out the attached form, along with a cover letter describing in 500 words or less, why you'd like to intern at Theater 150 this Summer. The application is due **April 31st, 2010**.

Thanks again for your interest in Theater 150's Internship Program and we look forward to receiving your application.
